Letter No. A2 PR 56/54-5 dt 8-5-54 from the Chairman, Bangalore Trust Board on the subject

6) submitted for perusal. The Trust Board has allotted sites each measuring 20'x25' in the Sampigehalli layout to 12 persons only

7) In this connection, it is submitted that this layout is formed to accommodate the displaced owners of houses in the ~~Gangamachery~~ area Promises have been made on the floors of the House (Legislative Assembly) that the work of improving the slum area near the Town Hall will be taken up soon after the sites in the Sampigehalli layout are formed & displaced persons provided sites. Before considering the question of providing sites to the people of Gangamachery, the Trust Board has decided to allot sites to others. Moreover, a part of the area has to be reserved for the Corporation employees

4) 1095/m Allotment of sites in Sampigehalli Layout.

Send to Govt, Mr. allotment of sites. This is a typical instance to show how the Bdg. exercises its powers. It wants to give sites first and then decide the rate after the layout is completed. It may take one year or any period to complete the layout. The Bdg may be intimated to complete the layout first and then fix the rate and dispose the sites after the rates are worked out & not now

as the work of forming a layout by the corporation for this purpose has also been entrusted to the Bangalore Trust Board. It is not known how many sites will be formed, how many are reserved for being given to the displaced persons of Jayachamarajendra Circle area, what the total number of such displaced persons is & how many sites are reserved for the corporation employees the Board should also decide the cost of each site on the basis of actual expenditure before sites are allotted. Experience has shown that the Board allot sites ~~at the fixed rates~~ at certain rates & then send revised estimate resulting in loss to govt. Action has to be taken now alone to guard against such exigency. In general orders - Ref flow as 1 & 2

The petitioners abovenamed beg to state as follows:-

1. The petitioners are the Congress Workers living in Cubbanpet, Bangalore-2 since a long time. They have worked in the Congress since their boyhood and have contributed a little to the success of the ideals to which the Congress stands.

2. They were without shelters of their own as a result of which they were compelled to put up temporary sheds in the area of Sampigehalli. The Chairman, City Improvement Trust Board threatened to demolish the temporary sheds. But the Chief Minist Government of Mysore was pleased to direct the Chairman to allot sites to the petitioners in the said layout as per End.No.A3-58/ 54-55 dated 28-5-54. has allotted sites.

3. Accordingly the City Improvement Trust Board was pleased to grant them sites measuring 20' x 25' in the said layout at Rs.10/- per sq. yard.

4. The petitioners submit that the rate fixed by the Board is not only unreasonable but also exhorbitant when the value of sites in Raja Mahal Extension is fixed at only Rs.9-8-0 per Sq.Yard. Further the petitioners are all poor weavers and cannot pay any mount. There are precedents for having given the sites at Rs-2/ per Sq. Yard in Kumara Park to many congress workers.

The Petitioners therefore pray that the sites allotted to them may be ordered to be paid free of cost or if not possible to fix the rate at Re. 0-8-0 per Sq.Yard.
